KSU NOTICE OF NONDISCRIMINATION: Kansas State University is committed to a policy of nondiscrimination on the basis of race, sex, national origin, disability, religion, age, sexual orientation, or other non merit reasons, in admissions, educational programs and activities, and employment, all as required by applicable laws and regulations. All fraternal and campus related organizations will follow this policy in the selection of their members, except the prohibition against sex discrimination shall not apply to social fraternities or sororities which are excluded from application of Title IX of the Educational amendments of 1972.

REGENTS POLICY ON STUDENT ORGANIZATIONS AND ACTIVITIES: The established policy of the Board of Regents of the State of Kansas prohibits discrimination on the basis of sex, race, religious faith, national origin, age or physical handicap within the institutions under its jurisdiction. The right of organizations to establish standards for membership is acknowledged, provided that all students are afforded equal opportunity to meet those standards.. Just as all students have the right to choose those with whom they would associate on the campus, an organization shall have the right to select its members subject to those principles. Nothing in this policy shall be interpreted as imposing requirements which would violate the principle of selection on the basis of individual merit.

The responsibility of compliance with these policies lies with each organization. In signing this form, each organization shall acknowledge its understanding of this policy. Such acknowledgement shall assure that there exist no restrictions on membership, either locally or nationally, which violate this policy.

REGISTRATION COMPLIANCE STATEMENT: To register or maintain registration, the organization must agree to the following regulations:

1. Abide by the established policies of the University, the Board of Regents and the State of Kansas prohibiting discrimination in membership on the basis of sex, race, religion, national origin, age, disability, sexual orientation or other non-merit reasons.
2. Abide by all University policies and campus regulations, federal, state and local laws.
3. Maintain at least five (5) members.
4. Membership must consist of at least 50% university persons.
5. Maintain an advisor who is a member of the KSU faculty, staff or administration.
6. Maintain a current copy of the organization's constitution and/or statement of purpose on file in the OSAS.
7. Maintain a current listing of officers on file in the OSAS.

Requirements for student organizations wanting to register or maintain registration are not limited to those listed above. Additionally, noncompliance with any of these requirements is grounds for revocation of registration.

I, the undersigned President, on behalf of the organization and with its authority, affirm that it is in compliance, and will continue to comply with all requirements stated above. In addition, I affirm that all information regarding the organization to be true and correct.
